The Phone Ticketing App

New Revenue and immediate cost savings for transit agencies

The Phone Ticketing App™ provides public transit passengers timely information and ticketing services to ease their daily commute.

No more standing in line at a station to purchase a ticket or calling customer service to find out when the bus is due. Passengers enjoy the convenience of real time ticket purchase and delivery directly to their mobile phones. Transit agencies gain new revenue opportunities and enjoy immediate cost savings and improved customer satisfaction.

9 Valuable Tools In a Single App

Application Features
